

Scholarship Details

The Bold Earth scholarship program allows financially disadvantaged teenagers to attend. Scholarships are 100% based on parent tax returns.

SCHOLARSHIP APPLICATION PROCEDURE:

Basic Requirements:

1. Financial Aid is offered based on documented need. (We discourage families earning more than \$50,000 per year to apply for financial aid.)
2. Scholarships are offered to healthy and enthusiastic teenagers entering 7th–12th grades who seek the challenge and success of Bold Earth. All applicants are carefully screened.
3. Patience! – Most scholarship placements occur in May. Why? Because full pay customers come first. In May we place scholarship applicants on available trips to balance age or gender.

What do we offer?:

1. Usually, a maximum of 50% reduction in tuition.
2. Choice of any trip? Because of airfare costs we usually do not offer scholarships outside of the USA. Your trip assignment will be based on trip availability. We recommend you list at least three choices, your flexibility is very important. You will be assigned to a trip approximately 35 days before departure. We encourage you to choose from both early and later dates when making trip selections.
3. Your participation will be identical to all other teenagers.

Paperwork required for consideration:

1. One page statement written by teenager stating "Why I want to join Bold Earth".
2. One page summary written by parent stating "Why we need financial assistance". *Please include a statement of what percentage of financial assistance you will need (10%, 20%, 30%, 40%, 50% or more).
3. Copy of parents' (each parent if divorced) latest tax return.
4. Documentation of money, if any, raised by the student to contribute to the cost of a Bold Earth trip.
5. Online trip application (please include phone numbers of references) from our website of \$100. Your deposit is 100% refundable if you decline the trip offered.

Flexible Discounts:

Often we need a student or two to balance the age or gender on particular trips. If you are willing to have Bold Earth choose your trip we offer a 33% discount. Fill out the application with a \$400 deposit writing "Bold Earth choose for me" under trip choice. Attach a letter saying when you are available and your top trip choices. We will call you to discuss trip placement. Yes, this includes international trips. Your deposit is 100% refundable if you decline the trip offered.

Please call if you have any questions. Trip placement decisions are made in May.

Sincerely,

The Bold Earth Team
